Schottel Workboat

Tug and floating plant support

Schottel workboat / DAACE project photograph

DAACE's Schottel workboat supports floating plant operations. The workboat can form part of a coordinated marine arrangement alongside pontoons, construction plant and site personnel.

01 Marine support

- Tug and workboat support for pontoons
- Positioning and movement of floating plant
- Coordination with the site marine team

02 Vessel particulars

Builder	**Schottel Werft**
Hull	**Steel**
Engine	**Deutz diesel**
Recorded length	**7.45 m**
Recorded beam	**2.48 m**
